Commodores Comments

Hello all

Welcome to our guests that signed up at the boat show. This newsletter will give you information about our club, upcoming cruises, and general information. If you have any questions please give us a call, the phone numbers are on the back of the newsletter. Thank you to those club members that worked a shift at the show. A special thank you Wayne & Dolores for doing the modifications to our booth display and everyone that helped assemble and disassemble the booth. Thanks to David and all those who worked to find us the wonderful meeting place. I look forward to some wonderful desserts after the meetings and the possibility of a cruise in picnic or other similar event there. Next we have the Commodores Ball. I hope to see you there.

Ray

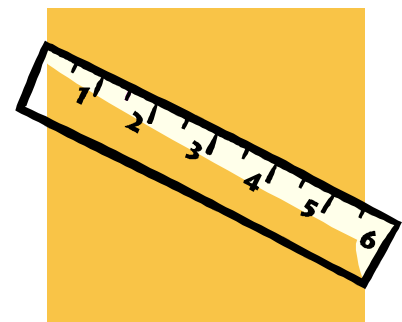

An the Winner is.....

Betty and Cliff Echols are the winners of the first trivia contest. Betty claims it was really all Cliff but she is the only one I head from.

Now for something a bit tougher. Again the same rules apply the first e-mail with what I judge t be the correct answer will win the coveted prize. Send you answers to bennu36@concast.net

Ok Ready? Here it is.....

The origin of the term Fathom ... not the definition but the origin.

SAFETY NOTICE - Recall

- Notice applies to VIKING RescYou™ liferafts

This recall covers certain serial numbers of the yachting and fishing liferafts VIKING RescYou™ (UKL) and RescYou™ Pro (UKSL), sizes 4, 6 and 8 persons in either container or valise.

The supplier of pressure relief valves, Thanner & Co A/S, has informed VIKING that potential problems in relation to their product Thanner type OTS 65 may cause the valve to break and prevent the liferaft from inflating properly. In the unlikely event that both valves are affected, the liferaft will sink. As a precautionary measure VIKING LIFE-SAVING EQUIPMENT A/S recommends that all Thanner valves of type OTS 65 used in RescYou™ liferafts be inspected and if necessary replaced. Please check your type of liferaft and serial number on www.VIKING-yachting.com to see if your RescYou™ liferaft is at risk. The type and serial number can be found on the Certificate of Compliance that you received along with your liferaft. The type and serial number can also be seen on the registration label on the bottom of the liferaft container or if packed in a valise at the end of the valise.

If your RescYou™ liferaft is found to be at risk and thus affected by this recall, please contact a VIKING approved servicing station for a valve inspection. A full list and contact details of applicable servicing stations are available on www.VIKING-yachting.com. Any necessary valve replacement will of course be free of charge for you.

For further information please visit www.VIKING-yachting.com or contact VIKING toll free at (877) 848-1057.

We thank you for your cooperation and apologize for any inconvenience this may cause.

Remain assured that your safety is our priority throughout the lifetime of your liferaft.

FIRST MATES CORNER

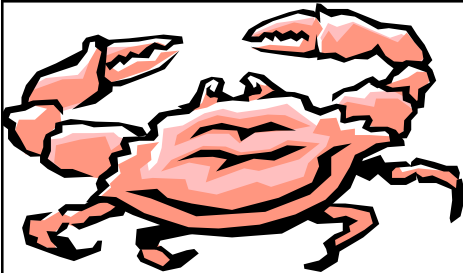

HELLO Fellow Boaters,

Susann Matzke is healing and recovering from surgery. Cheryl Williams was fighting a bad cold at our meeting, like I think a lot of other club members. Hope all of you recover soon.

Thank all of you that helped with the booth at the Boat Show. It will be good to see you at the Commodore's Ball and other cruise in the future.

If anyone has celebrations or concerns let me know. (503-357-8271)

Treasure Hunt at Class Harbor

June 23-24, 2007

Arrrg! The Treasure Hunt cruise is not until June but we wanted to give you a heads up on attire. Pirate attire is encouraged so start shopping now. Thrift stores are good places for "funky" pirate attire. Use your imaginations – I'm sure there will be a little "booty" prize for those who show their true pirate spirit.

SWEETHEART CRUISE

Just a Reminder

Boaters 60 and younger must now carry a boater education card when operating powerboats (including personal watercraft or any motorized watercraft) greater than 10 hp. Law enforcement officers are issuing citations for non-compliance with the Mandatory Education Law. The citation fines are \$97

From the OLD CROW

Well, the 1st month of '07 went by too quickly and the NOTS folks didn't have activities that gave me much opportunity for snacking. I flew by the Boat Show & while the members were chatting with interested folks walking by the booth I checked for tid-bits. No luck there. But, at the new meeting place they'll be having goodies each month. I'll be making my way there, for sure. There was lots of talk at the meeting about the Commodore's Ball coming up soon. I'll be there with my feathers all spruced up nicely and watch for some good stuff I can snatch.
