Our WEB comity has been working hard developing our Web Sight.

It shouldn't be long and you'll be able to see what's happening around NOTS

With the click of your mouse. Thank you Ken T, David R & Ken W.

Thanks Scott & Athena and all those. Who helped out with the Cinco De Mayo Cruise at Roster Rock. Wonderful Weather and that Saturday night Campfire on the dock with the guest appearance of so many spiders was a big hit. There were people around that fire till way past 11 PM that don't happen often.

Hope to see you on the water soon

Ray

Budget Hearings, most have heard of the budget cut scare for the Multnomah Sheriff river patrol and how it was reinstated for 2007 in part by the outcry of the boating community. Funding beyond 2007 is in jeopardy, two of the three public hearings remain. Lets let the county commissioners now how we feel about water safety & the security of our investmentwe have setting on the water by attending one or both of these hearings. come early to get a seat, (we need a speaker Ken, Dean) the room will be full of non English speaking folk. I am planning on attending.. Their were only two boaters at the first hearing.

Budget Hearings :

Tuesday, May 8 6:00 p.m. to 8:00 p.m. Public Hearing on the 2007-2008 Multnomah County Budget North Portland Library Second Floor Conference Room 512 N Killingsworth, Portland

Tuesday, May 22 6:00 p.m. to 8:00 p.m. Public Hearing on the 2007-2008 Multnomah County Budget Multnomah Building Commissioners Boardroom 100 501 SE Hawthorne, Portland

Treasure Hunt at Class Harbor

June 23-24, 2007

Grab your parrots, peg legs and swords to come join us for the pirate cruise. We will be anchoring at Class Harbor so please come prepared to anchor. We are also looking for a couple of people with stern anchors. You will need a way to get to shore to look for clues – so please bring your dinghy, floating toys, Jet Ski or whatever will help you get to shore. You can even swim to shore if you dare (could be sharks).

Saturday will be the treasure hunt. Your hosts will provide hamburgers and hotdogs for lunch so all you need to bring is a beverage (and any other snacks you want to go with it).

Sunday morning will be a breakfast potluck on the swim platforms or the beach. So please bring something to share Sunday morning.

We need an accurate head count so please let your hosts know if you plan to attend – we want to make sure we have enough food. We also want to know how many people we have to split the booty with.

Cinco De Mayo Weekend

As we make our way to Rooster Rock April 27-29, get ready for fiesta, fun, and flaming food!

Saturday at 2:00pm the festival begins as margarita's are served by your host. Following that, will be a potluck buffet, bring your favorite Mexican dish. Who will win bragging rights to the title "hot stuff"? Enter the homemade salsa competition. There will also be games and a pinata for the kids. Weather permitting we may even fit in a dinghy cruise or race =)

Sunday we'll have a continental breakfast. Can't wait to see you all there.

From the OLD CROW

I followed the NOTS folks to St Helens where there was lots of fun going on. As usual, lots of good food was there so I stuffed myself twice. Once at the potluck in the evening and once at a very nice breakfast the next day. M-m-m-m, those ladies now how to make me a happy bird. Someone found a blow-up life ring in the water and saved it, something about just in case Betty fell in again. Also, there were three escape artist dogs & one even took a swim.

After dinner, a big group went for a walk to a building and went in for awhile. They all came out laughing hard. Wonder what was in there----?

The next morning they did that curious thing again—poured something on the front of some of the boats and everyone cheered.

A couple of weeks later, a big group got together for a meeting. But, no goodies for me there. Some folks brought presents for Errol & Norene, though. Jim Bryant got a funny looking award for something he did, and did he complain a lot. I hear that there's a big event coming up and it sounds like another feast all day long; breakfast, snacks and dinner at a very nice club-house. I'll be looking my best for that day.

The Old Crow.
